

# WPLC Steering Committee 2017 Collection and Buying Pool Recommendations - DRAFT

On April 21<sup>st</sup> the Steering Committee met to review and consider the Digital Collections Workgroup recommendations for the 2017 buying pool. The committee met with the board for the WPLC Annual Membership meeting on May 11<sup>th</sup> and further discussed the recommendations.

From those two discussions, the Steering Committee recommends the following for the 2017 WPLC Buying Pool:

**Recommendation 1:** Increase the buying pool by \$150,000 to buy additional copies of titles with high holds.

**Recommendation 2:** Systems interested in provided OverDrive periodicals can join and fund a shared Advantage account collection. This magazine collection will only be available to those systems participating. Total cost will be determined by number of systems participating.
