Role of the Wisconsin Libraries:

Submissions, marketing material, and judging will be handled by BiblioBoard and a WLA Committee. We ask that the libraries simply help promote the contest. We encourage libraries to utilize the press release and email templates to promote to local news and media outlets and to local writers groups, schools and universities.

Contest Marketing Assets:

Marketing assets available will include web graphics, a press release template, an email template for libraries to reach out to writers groups in their area, and the WPLC Create. Share. Discover flyer for writers and authors. These are available now on <https://www.wplc.info/authorproject>.

Let's talk about SHARE.

What is SELF-e?

SELF-e is a year-round, royalty free, self-publishing program that enables libraries to support their local self-published authors who are looking to promote their work and increase readership and exposure. Wisconsin self-published authors can now submit their work to WPLC's SELF-e program to be featured in the statewide Indie Wisconsin Collection, with the potential for national exposure. There will be an upcoming training session on this program.

How do authors submit their work to SELF-e?

Authors can submit to SELF-e three ways:

1. By visiting <http://widigitallibrary.com/> authors will click on SHARE and will be directed to the WPLC SELF-e submission page
2. Authors can submit their work directly from Pressbooks under the "Publish" option
3. On BiblioBoard Library authors can click the "Submit to SELF-e" link and will be redirected to the WPLC SELF-e Page

How does the SELF-e program work?

1. Authors submit their work.
2. All submissions are vetted by BiblioBoard and then *Library Journal* further vets Adult and YA Fiction submissions.
3. After the book is vetted by BiblioBoard, it appears in BiblioBoard Library in the statewide Indie Wisconsin Collection.
4. Adult and YA Fiction titles deemed by *Library Journal* as high-quality works will be labeled as SELF-e Select titles. In addition to appearing in the statewide Indie Wisconsin Collection, these titles will also appear in the *LJ SELF-e Select* Collection, which is available to BiblioBoard users nationwide.
