

Workgroup Plan for User/Non-User Survey Provider Selection

1. Identify 2-4 firms that we think could provide the work needed. (June 2016)
2. Ask each firm to provide a quote for the project, based on a description drafted by the workgroup, along with the description of their proposed methodology for collection and analysis and references. (June-July 2016)
3. Workgroup reviews responses and brings project estimate back to the board. (July-August 2016)
4. Board determines interest in pursuing project based on the estimate. (August 2016)
5. Funding partners are pursued based on Board interest. (August-September 2016)
